Training Vouchers - 'Save As You Learn' with F1

Obtaining the best training for your organisation may be your first preference. F1 is aware that sometimes funding this standard of training is a problem.

To help customers with this F1 have introduced a number of initiatives suited for both individuals and organisations.

The F1 'Save As You Learn' programmes are designed for employers and professionals who want the best deal for their training needs. The F1 Training Voucher Scheme is designed to provide organisations with a flexible training package that has substantial savings and reduces administration.

What are F1 Training Vouchers?

They are packages of between 25 and 80 days of training that can be pre-purchased from F1 at a substantial discount of up to **45%**, which has significant advantages over booking courses one seat at a time.

F1 Training Vouchers enable organisations to achieve the following:

- Get entire project teams up to speed quickly, whenever the need arises.
- Provide training to new employees.
- Train Anyone – Anytime.

Advantages of F1 Vouchers:

- F1 Training Vouchers are a cost-effective and flexible solution for organisations with individuals whose training requirements vary from a single course to an entire series of courses.
- Convenient and Easy to Use - with the flexibility of Training Vouchers, you can satisfy your training requirements as they evolve throughout the year with F1 training at substantial savings.
- Discounted Training - make significant savings off the cost of purchasing training one seat at a time.
- Simplified Budgeting - lock in your budget by purchasing your package when funding is available.

- Price Protection - lock in savings for twelve months from the date of purchase.
- Reduced Purchasing Effort - eliminate the time and money spent approving training purchases throughout the year.
- Simple Administration – just call to book a place on a course.
- Maximum of 6 Delegates - Only F1 limits class sizes to a maximum of 6 delegates. Compare this to other training suppliers who at best offer an 'average' of 8 delegates. This in reality means that you are likely to sit on some courses with 12 or even 16 delegates on them.
- Less Hassle - Just one justification and purchase order buys your F1 Voucher. Booking each course is then simply a phone call away.

Remember F1 Computing Can Help

F1 Computing is one of the leading training companies in its field and uses this expertise to ensure that its training clients have both the theoretical knowledge supplied by Microsoft curriculum and the practical knowledge to implement the skills learned.

F1 has a package that can save you up to 45% on the cost of courses.

A F1 Training Voucher would be a great way of pre-purchasing training for organisations that have a mix of employees, some that need to be Microsoft Certified and others that do not.

The flexibility of a F1 Training Voucher means that not only can you use it for one-off courses; you can also use it on courses that lead to Microsoft Certification, including the new Visual Studio 2012, and SQL Server 2012 courses.

Training Voucher Scheme:

Course Length	Cost of Training Voucher	Training Voucher Fee per Day	Standard Course Fee per Day	Saving on Package		Surface with Windows RT

F1 Training Vouchers - Terms and Conditions

Availability and Usage

- The Training Voucher offered under this agreement is only available to named organizations is non-transferable and is valid for twelve months from the Start Date of the first course attended.
- F1 vouchers are valid for 'Standard', 'Niche' and 'Premier' F1 courses. F1 vouchers can use used on 'Exclusive' or 'Fast Track' courses by paying the difference in price between the actual price of the course and the price of a standard course.
- Each course can be reserved by phone with F1 Training and is then confirmed in writing by a signed booking form. We advise you to book at least six weeks in advance to ensure availability on a specific date.

Payment

- Full payment for the F1 Training Voucher must be made 14 days after the order is placed.
- Please note that the special fees chargeable for the F1 Training Voucher are not subject to any preferential terms, which may or may not be in existence between F1 Computing and the customer.

Cancellation/postponement terms

- Cancellations and transfers to alternative dates are as detailed on our standard training booking form, available on request.
- Cancellations within 14 days of the course start date result in deduction of that course from the customers F1 Training Voucher.

Other

- No refunds are available for the F1 Training Voucher.
- Any unused courses remaining on the F1 Training Voucher at the date of expiry cannot be refunded or transferred.
- F1 reserves the right to modify schedules and discontinue courses from its Public training schedule during the validity of the F1 Training Voucher.
- F1 reserves the right to amend the Training Voucher if required.

Try an F1 course and then purchase F1 Training Voucher

- You can purchase the F1 Training Voucher after the first course has been attended provided the Training Voucher application form is received within one month of the start date of that course.
- In this event, the course already attended is then deducted from the total allowance on the F1 Training Voucher.
